

# 5 REASONS to use Jhump

## HUMAN CAPITAL – CANDIDATE SERVICES

Jhump & Associates' years of experience at all levels of domestic and international operations provide a broad base for our global network of contacts and solutions.

**Jhump provides you the right placement solutions – permanent or contract.**

- 1 Global Network of Contacts** – **Access to the best opportunities across the world.** You provide your qualifications and interests, and we'll find the best opportunity that fits your career goals, compensation objectives and personality.
- 2 Industry Experience** – **First-hand knowledge of all facets of operations and locations puts you in the right place.** Whether you're looking for positions in the field or the back office, domestic or international; on-shore or off-shore, permanent or contract, the Jhump team has a clear understanding of how well opportunities will fit your individual needs, and how well your capabilities fit the opportunity.
- 3 Right Organization** – **Match you with the organization and position that fits best.** Every organization has a unique culture, and the right one will fit your personality. Having worked with a wide - range of organizations of all types, Jhump has first-hand experience in the elements that drive a company's culture.
- 4 Save Time & Effort** – **Simplify the job search process.** By taking the time to clearly understand you and your goals, we pre-qualify opportunities and organizations so that you don't waste time and effort on positions that do not fit. We do the legwork, and only send you to organizations that are tailored to your needs.
- 5 Solid Compensation** – **Realize your compensation goals by leveraging our experience, contacts and knowledge.** Identifying the right opportunity requires diligent preparation and clear understanding of your personal situation and potential. The Jhump team will help you identify the optimal opportunities that deliver a complete compensation package that serves your objectives.

# 5 REASONS to use Jhump

## HUMAN CAPITAL – RECRUITMENT SERVICES

Jhump & Associates' years of experience at all levels of domestic and international operations provide a broad base for our global network of contacts and solutions.

Jhump provides you the right recruitment solutions – permanent or contract.

- 1 Global Network of Contacts** – **Access to the best personnel across the world.** You name the location, and we'll find the most - qualified individual or team that fits your specific requirements.
- 2 Industry Experience** – **First-hand knowledge of all facets of your projects and operations that impact your objectives.** Whether your needs are for the field or the back office, domestic or international, simple or complex, on-shore or off-shore, permanent or contract, the Jhump team has dealt with the critical issues and understands your requirements for success.
- 3 Right People** – **Knowledge of necessary capabilities for your project or operational needs.** Every location and project poses unique challenges, and the right person must possess the right skill sets, and fit your situation, your organization and the local culture. Having lived and worked in most of the major operating locations, the Jhump team has first-hand experience in assembling the right human capital for the job.
- 4 Save Time & Effort** – **Simplify the process and deliver pre-qualified candidates.** Typically, we send you one or two capable professionals that fit your needs who have been pre-qualified, not hundreds of resumes that have to be reviewed. We do your homework, and send you individuals that are the right fit.
- 5 Affordable Solution** – **Realize cost and time investment savings by leveraging our experience, contacts and streamlined process.** Identifying the right people doesn't have to be a long, complicated and costly process. The Jhump team will quickly determine the scope of your needs, pre-qualify the appropriate talent, and deliver the best candidates to you. By streamlining this process, you will save time and money.
